AN ACT

relating to recording of proceedings in a county court at law in

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

JUDICIAL AFFAIRS

H.B. 3060

Committee Report (Unamended)

BACKGROUND

The Texas Supreme Court granted its permission for the Medina County Court at Law to electronically record civil proceedings after July 7, 1995, and has reported that these proceedings have successfully been recorded thus far. The Medina County Court at Law owns a high quality recording system and has reported substantial savings to Medina County.

The Texas Court of Criminal Appeals has granted its permission for criminal proceedings to be electronically recorded by several counties across the state; however, permission to record criminal matters has yet to be granted for the Medina County Court at Law. As a result, the Medina County Court at Law has been required to sporadically use independently contracted court reporters at a high cost to the county.

The Medina County Commissioner's Court unanimously voted in favor of a resolution requesting legislation which would allow the Medina County Court at Law to electronically record criminal proceedings. This Act would save Medina County an estimated \$5,000 per year.

PURPOSE

H.B. 3060 allows the Medina County Court at Law to electronically record all criminal proceedings without first obtaining permission to do so from the Texas Court of Criminal Appeals.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency or institution.

SECTION BY SECTION ANALYSIS

SECTION 1 amends Section 25.1652, Government Code, by adding Subsection (j) which states that a judge of a county court may provide that any criminal proceeding may be recorded by a high quality electronic recording device. The defendant may file a written motion ten days or more in advance of the trial to request that a court reporter be present. A court reporter does not need to be present to certify the statement of facts if an electronic recording device is used.

SECTION 2. Emergency clause. Effective date.

DIGEST

The Texas Supreme Court granted its permission to the Medina County Court at Law to electronically record civil proceedings after July 7, 1995. The Medina County Court at Law has recorded civil proceeding since that time and has reported substantial savings. The Texas Court of Criminal Appeals has granted its permission for criminal proceedings to be electronically recorded to several counties across the state. The Texas Court of Criminal Appeals has yet to grant permission to record criminal matters to the Medina County Court at Law. The Medina County Court at Law has been required to sporadically use independently contracted court reporters at a high cost to the county. The Medina County Commissioners Court unanimously voted in favor of a resolution requesting legislation which would allow the Medina County Court at Law to electronically record criminal proceedings. Such legislation would save Medina County an estimated \$5,000 per year. This bill would authorize the Medina County Court at Law to electronically record all criminal proceedings without first obtaining permission to do so from the Texas Court of Criminal Appeals.

PURPOSE

As proposed, H.B. 3060 authorizes the Medina County Court at Law to electronically record all criminal proceedings without first obtaining permission to do so from the Texas Court of Criminal Appeals.

RULEMAKING AUTHORITY

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Section 25.1652, Government Code, by adding Subsection (j), to authorize a judge of a county court at law in Medina County to provide that any criminal proceeding in the county court at law be recorded by a good quality electronic recording device instead of by a court reporter unless, on written motion filed with the court no later than the 10th day before the trial, the defendant requests that a court reporter be present. Provides that if a recording device is used, the court reporter need not be present at the proceeding to certify the statement of facts.
